I. C. Norcom High School
Portsmouth, Virginia

Alma Winborne, Editor
Helen Carter, Assistant Editor
Advisers
Mrs. Shirley F. Coffey
Miss Iris N. Cooper
Mr. Leroy S. Williams

Anyone

with bricks, mortar,
steady hands, blueprinted plans,
and the know-how of a
carpenter, can make a building;

But it takes

something more to make
that building
a living, breathing,
laughing, crying,
house of Yesterday,
Today, Tomorrow . . .

It takes

the injection of life,
a wealth of spirit,
the peak of awareness,
and the thrill of discovery;

A mere building

may fling wide
all its doors
in invitation . . .

But it takes the mob

to respond
to the welcome,
and it takes
the voices of many to shout
"WE'RE HERE"!

We are here,

and the pile of bricks
is aware of it,
for it feels with us
as we do what Life demands of us
in our own special way.

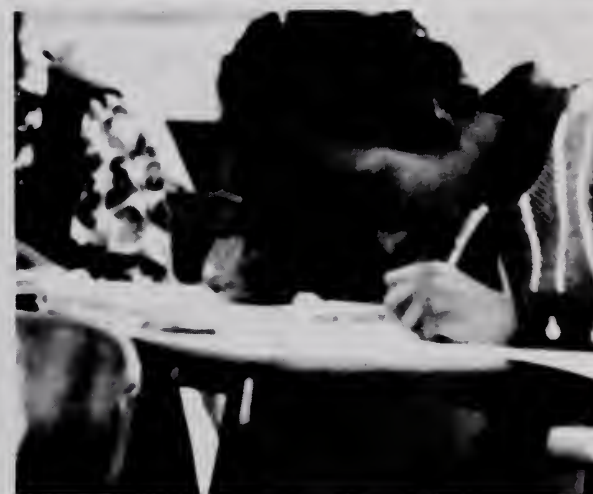

When chill
winds come,

a pile of bricks
can be a warm place
into which we move
ourselves,
our thoughts,
our arms,
our games,

And the spirit
of life

goes on . . .

Then the
blood of
the many

warms,
and the carpenter's creation
becomes a feverish beehive
of peoplepeoplepeople . . .

Acting,

Reacting,
Taking time, pushing time,
Putting together, taking apart,
Digging deep to find themselves,
Flinging life
Up, down, left and right,
Forcing the cold stone mansion
Into the pulsating frenzy
That is WE! US! TOGETHER!

(How do you say goodbye
to a pile of bricks
that has become your heart?)

LEADING

Principal — Mr. Albert T. Edwards

A look at the lighter side of being a school principal.

Mr. Albert T. Edwards, Principal with his two faithful assistants, Mr. John L. McGriff, and Dr. Vito J. Morlino.

Secretaries

Mrs. Edmonds

Mrs. Edmonds, Mrs. Wright and Mrs. Perry keep the office in tip top shape even though the phones sometimes get discombobulated. No not really. They run the office with great experience and accuracy. Mrs. Edmonds is the lady behind that cheerful and kind voice that we hear every morning for announcements. She holds the position of secretary to the Principal, and she really holds it well. Mrs. Wright is in charge of records and she most definitely comes in handy when someone needs a transcript. She is definitely one of the people that cheers up the office and she is always easy to find, because she always has a smile on her face. Mrs. Perry has the position that many of us would enjoy. She is the book-keeper. She keeps up with all the school funds along with cheering up and brightening up the office.

And last but not least, Mrs. Brinkley acts as our guidance secretary. She also is the one that gives you an appointment to see your counselor. She is most definitely a vital necessity to the department. If you are a disbeliever or you just don't know, pay a visit to the Guidance Office. SOON

Mrs. Wright

Mrs. Perry

Mrs. Brinkley

Guidance

Mrs. Waters

Helping all of us to search in the right direction is the job of the Guidance Department. Mrs. Waters is the head of the department and she really keeps the department in tip top condition, always . . .
